Ontario – Toronto Catholic District School Board

TCDSB's schools and programs strive to foster student achievement and well-being.

Bishop Allen Academy CSS offers a challenging academic curriculum that includes enriched credit courses beginning in Grade 9 and AP courses leading to the Advanced Placement Diploma in senior years. From graphic design to professional photography, several students have established careers in their specialized fields. Students are also invited to participate in various Canadian maths competitions prepared by the University of Waterloo.

Bishop Marrocco/Thomas Merton CSS offers specialized programs in Dramatic Arts, Dance, Instrumental Music, New Media, Photography, Video Production, Sound Recording, Technical Theatre, Visual Arts and Vocal Music. Art students may choose to specialize in one program or explore a variety of art courses. One third of the school's space is devoted to construction, automotive and computer technology instruction.

St. Oscar Romero CSS offers several competitive and non-competitive sport options, as well as a varied technology programming. At St. Oscar Romero, students have the opportunity to learn Portuguese as International Language.

Brebeuf College School is a boys-only school with a strong reputation for academic excellence. The school offers an enriched program that allows students to study advanced material and to develop university-level skills, preparing them to take the AP exam and earn an Advanced Placement University credit while still in high school. Students have the opportunity to study an enriched curriculum in English, Maths, and Science.
